

SMART COLLECTION – KVERNELAND GROUP

A close-up photograph of a dark-colored jacket, likely navy blue or black. On the left side, a zipper runs vertically. To the right of the zipper, the words "The Future of Farming" are embroidered in a large, white, sans-serif font, oriented vertically. Further to the right, the Kverneland Group logo is embroidered. The logo consists of a stylized 'K' made of parallel lines in green and yellow, followed by the words "kverneland" in green and "group" in yellow, both in a lowercase sans-serif font.

The Future of Farming

THE KVERNELAND GROUP SMART COLLECTION

Wear your brand as a proud ambassador of Kverneland Group; with high quality clothing from the Smart Collection. This collection of branded wear has been created to increase brand awareness and recognition.

It consists of custom-made, modern and standardised clothing to reinforce the identity and values of our brand.

The collection is aligned with our existing brand guidelines, and developed to give our employees high quality, professional wear when facing our partners and customers.

The Smart Collection will make you look professional in any kind of setting, from casual to formal, in cold or warm weather. Be sure to follow the dress-code presented below.

KVERNELAND GROUP BRAND

Representation by KvG employees only

This collection consist of company branded clothing, designed for Kverneland Group representatives. The collection is designed with the purpose of promoting the company brand Kverneland Group and should be worn at business arenas where you represent Kverneland Group as a company, and in cases where more than one of our product brands are represented (Kverneland, Vicon, Kubota, Great Plains).

Examples of such business arenas are outdoor exhibitions, trainings, field days, demonstrations and similar events.

The Smart Collection - Kverneland Group should not be used, sold or distributed to importers , dealers, farmers/contractors nor end-users.
