

FOR STABLE AND FAST SATELLITE SIGNALS

ISOMATCH GLOBAL 3

Kverneland's precision farming offering consists of innovative and custom made solutions, designed for optimal use of your tractor and implements.

The essential accessory for IsoMatch GEOCONTROL

IsoMatch Global 3 is one of the essential accessories for IsoMatch GEOCONTROL. The IsoMatch Global is a GPS antenna with DGPS accuracy (30-50 cm), that enables the farmer to do the navigation for site specific section control, use variable rate application, manual guidance, and field registration in combination with IsoMatch GEOCONTROL.

Contact your local dealer
