“

IsoMatch Tellus GO+

Made for easy machine control
and efficient farming”

Compatible with
**IsoMatch
FarmCentre**

The new IsoMatch Tellus GO+ offers a more powerful processor, allowing for significantly faster responsiveness and increasing the ease of navigation. The IsoMatch Tellus GO+ can handle demanding applications like IsoMatch FarmCentre, allowing advanced features and remote connection to your implement for a higher yield at less cost.

“ ***Your first steps***
into Precision Farming”

My way of Farming!
