ISOMATCH FARMCENTRE FOR FREE!

IsoMatch 

Kverneland and Agriculture 4.0

Take advantage of this great “GEOSPREAD+IsoMatch FarmCentre” offer and ask your dealer for details of the promotion. You will be guaranteed the contributions foreseen by law with reference to subsidiaries.

IsoMatch Tellus PRO

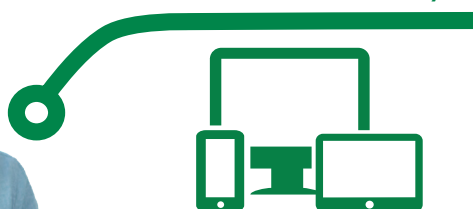

The IsoMatch Tellus PRO 12-inch terminal provides you with the optimal solution for an all-in-one control system inside the tractor cabin. It is the centre for connecting all your ISOBUS machines and running precision farming applications like IsoMatch FarmCentre.

IsoMatch GO+

The IsoMatch Tellus GO+ is a cost-efficient 7-inch terminal, especially developed for managing your machine in a simple way, together with IsoMatch FarmCentre.

smart, efficient, easy
